PLEASE NOTE THAT ANSWERS GIVEN ON OTHER SHEETS WILL NOT BE MARKED

The clothing manufacturer, Timberland, is one of many large companies who are committed to volunteerism. The company encourages staff to spend up to 40 paid hours a year on community and social projects. The community benefits from the company's resources, staff gain new skills and teamwork improves.

The French food manufacturer, Danone, allows its employees to spend time in developing countries, working in projects in areas like, conservation, teaching, caring or building. In doing so, they can share their own skills, and at the same time, they gain new ideas and insights and learn from the experiences of others.

A team from the banking group, HBOS, volunteered to help build a school extension in La Esperanza in Honduras. Linda Marshall, the project leader said, 'I learnt from that when new teams are forming, it is essential that objectives are agreed and everyone buys into them. This is a crucial factor for any project's success.'
